 - Sorry guys, but I'm gone all month for training. I'll be back in town October 4th and will be attending the October meeting as well as attending the Taste. Below is the report for September. Current balance is off by .10c which I will correct when I get back. I'm assuming it has something to do with the chip reader test I conducted last month to see if it's still functioning. Other than that everything is in line with expectations and we are performing under budget. Our insurance is coming due in October, which I'm estimating to be \$1952.00, and the remainder of our vendor fees of \$9346.86. For the Taste of the Village to be successful we need to focus on booth proceeds and items for our raffle. Remaining unknowns for expenses are items for raffle which needs to be less than \$675.00 and some smaller items that can be easily controlled. Our revenue for this event needs to match what we did last year, which means we need at least 12 booths rented and \$1720.00 in raffle proceeds.
 - Future planning, I've started the process of securing our catering for this years December party and I'm currently in talks with El Teimpo to get this done.
 - If you have any questions about this month's report I'm always available via phone or email. Again, sorry for the absence!!!
